

From:

For the attention of:
Prof. Mauro Gargiulo
Director of Department of Experimental,
Diagnostic and Specialty Medicine
Alma Mater Studiorum - University of Bologna
Via Massarenti n. 9 – Pad. 5
40138 Bologna

Date _____

SUBJECT: Donation to "Genomics Laboratory" research (contact: Prof. Strippoli)

Dear Professor,

With this letter I, the undersigned _____ ,
born on _____ in _____ ,
Fiscal Code: _____ ,
declare that I would like to donate to the Department of Experimental, Diagnostic and
Specialty Medicine of the University of Bologna the cash sum of _____
for research on trisomy 21, the cause of Down Syndrome, carried out by the "Genomics
Laboratory" (contact: Prof. Strippoli).

The abovementioned donation is considered to be of modest value in accordance with
article 783 c.c. and does not require formalization through a notary.

I agree I do not agree

to be cited by first name and last name, or as follows:

_____ ,

in the acknowledgements of the scientific papers that will also be published thanks to this support.

E-mail (optional) _____

Yours sincerely,
